

## Canmore Nordic Centre Grooming Report

Current as of 28-Feb-2020, 4:02AM MST

Grooming update: Expect a fresh layer of snow over all trails groomed prior to Feb 25. The team will work to get this fresh snow groomed on our natural trails over the next few nights.

Snow making update: Working on Frozen Thunder pit Please use caution when accessing this area as work crew is traveling along side of trails..

Event Notice - Please visit the CNC Event Page for a detailed schedule of events and trail closures. *-Comment last updated: Feb-26 9AM*
